## UPDATED BILLING INSTRUCTIONS & NAME CHANGE

Dear Valued Vendor,

In October 2019, Will Energy Corporation (“Will Energy”) closed the sale of their oil and natural gas assets to Contango Resources, Inc (“Contango”), a subsidiary of Contango Oil & Gas Company (NYSE: American “MCF”). These assets transferred to Contango effective July 1, 2019.

Effective immediately, all invoices for any previous Will Energy properties must now be billed to **Contango Resources, Inc.**

The Will Energy office will no longer be processing invoices, and all invoices will be paid out of Contango’s Oklahoma City office at the address below.

Electronic submission of invoices through *OpenInvoice* is the preferred method for timely payment.

1. Please link to **Contango** in *OpenInvoice*, DUNS# 079254304
  2. Invoices are required to reference an AFE, well name, or location for payment.
